

UTSW International Relocation Support Services

Visa Preparation & Interview Support

We provide guidance throughout your visa process. Scholars can attend seminars and receive mock interview coaching from experienced visa officers.

Pre-Arrival Communication

Our office initiates contact before your arrival to ensure you're well-informed and supported every step of the way.

Housing & Temporary Accommodations

We offer guidance on both temporary and long-term housing options to help you settle in comfortably.

Setting Up Utilities and Services

Support for setting up electricity, water, internet, and other essential services in your new home.

Banking Services

Information on local banks and support in setting up a checking account or managing international banking needs.

Community Resources

Help navigating life in Dallas, including local transportation, grocery options, and community support programs.

Orientation & Arrival Check-In

Assistance in preparing for your first few days on campus and check-in procedures with the Office of International Affairs.
