

#ICYMI: 'Innovation in Nanotechnology: From Vaccines to Novel Genetic Disease Treatment'

At the latest President's Lecture, **Daniel Siegwart, Ph.D.**, explored the therapeutic potential of nanoparticles carrying genetic medicines to treat genetic disorders, inflammatory diseases, and cancer. He highlighted his lab's efforts to precisely target these nanoparticles within the body to deliver treatments and activate immune responses.

If you missed it on Feb. 13, you can watch a recording of Dr. Siegwart's engaging presentation.

Celebration of Excellence May 2

UTSW is gearing up for the Health System's 2025 [Celebration of Excellence](#) (CoE), an annual campuswide event that shares and celebrates best practices and success stories in patient care. The CoE will be on **May 2**, and the keynote speaker will be **Thomas Lee, M.D.**, an internist at Brigham and Women's Hospital in Boston, and the Chief Medical Officer of Press Ganey Associates.

All UTSW staff and faculty are invited to submit posters that speak to improvement efforts across our clinical enterprise. Final poster submissions are due by **March 16**, and you can [use this application](#) to submit your poster idea and secure coaching opportunities.

If you have any questions, [email the CoE team](#) or use the link below.

Stay tuned for more event details in future communications.

Save the date: Women's History Month event

You're invited to celebrate Women's History Month on March 19 at the second annual "She Talks," featuring several UT Southwestern women leaders sharing inspiring stories, experiences, and advice.

Speakers will include:

- **Holly Crawford, M.B.A.**, Executive Vice President for Business Affairs
- **Melanie Sulistio, M.D.**, Professor of Medicine
- **Tamia Harris-Tryon, M.D., Ph.D.**, Associate Professor of Dermatology
- **Briana Witherspoon, D.N.P., APRN, ACNP-BC**, Assistant Director of Advanced Practice Providers for the Peter O'Donnell Jr. Brain Institute

The hybrid event will be held from 11:30 a.m. to 1 p.m. in D1.602 on South Campus, beginning with a light lunch reception at 11:30 a.m., followed by talks at noon. A livestream option will be available for those unable to attend in person.

Shawna Nesbitt, M.D., M.S., Vice President and Chief Institutional Opportunity Officer, will host the event, which is presented by the Office for Institutional Opportunity.

Registration is required.

Insider Guide

Mobile mammography: 15 minutes could save your life

8 a.m.-3 p.m., March 14
Professional Office Building (POB) parking garage

UT Southwestern's Harold C. Simmons Comprehensive Cancer Center's mobile mammography unit will be on campus offering 3D screening mammograms to all faculty, staff, and learners. Don't miss the chance to prioritize your health – early detection is key when it comes to breast cancer. Annual screenings are recommended for women beginning at age 40.

To secure your spot, preregister by calling 214-645-2560.
