Angelica Marin Hill joined the University of Texas Southwestern Medical Center Office for Government Affairs and Policy in 2004 and became Vice President for Government Affairs and Policy in April 2014. Focusing on analytical approaches to legislative issues and strategic communications, her office is responsible for state and federal appropriations that are crucial to UT Southwestern's advancement as a world-class research institution. She has worked with Texas and federal legislators and staff to help secure state appropriations of as much as \$170 million annually and federal appropriations of over \$70 million. From 2000 to 2004, Angelica served as an analyst for the Texas Senate Finance Committee, where she was a key interface for Committee members on appropriations for institutions of higher education, public schools, group insurance, and economic development, criminal justice, and regulatory agencies. Angelica has an undergraduate degree in history from Harvard College and an MBA from the University of Texas at Austin. As Chair of the Schools and Scholarships Committee of the Harvard Club of Austin, she organized interviews for Central Texas, visited underrepresented high schools, established a scholarship fund, and in total helped increase area admissions by over 50%. Passionate about education and strategic investment in disadvantaged communities, she is active with the Board of Trustees of The Hockaday School in Dallas and the Texas Women's Foundation. An avid hiker and long distance runner, Angelica has trekked to Machu Picchu in Peru and summited Mount Kilimanjaro in Tanzania, Africa.

The Quarter Century Club was established in 1996 to honor employees with 25 or more years of service. Members of the Quarter Century Club have made major contributions to the success of this university through their hard work and dedication.

UT Southwestern is privileged to recognize them on this special day.

Due to the COVID-19 global pandemic, this celebration could not be held in person and was conducted as a virtual experience.
