

Master of Business Administration (Healthcare Administration)

Website: <https://twu.edu/management-marketing/graduate-programs/mba-healthcare-administration/>

The Healthcare Administration emphasis in the M.B.A. delivers a broad overview of the business aspects of the healthcare industry, with a focus on healthcare policy and financial analysis. It is designed for graduate business students with a specific interest in healthcare. The emphasis gives aspiring business professionals a deeper understanding of the industry, providing the analytical tools necessary to succeed in the business of healthcare. Professionals and Ph.D.s with experience in the healthcare industry deliver our program, many of whom have had successful careers as CEOs and CFOs in these organizations.

Marketable Skills

Defined by the [Texas Higher Education Coordinating Board's 60x30 Strategic Plan](#) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

Core Skills

1. Critical Thinking: M.B.A. Specific Application - Solving problems by applying knowledge to cases and challenges in organizations. General Employment Application - Using feedback from employees, environment, benchmarking, and innovation to generate multiple solutions, creative ideas, and effective strategies and to understand the industry/general environment.
2. Diversity: M.B.A. Specific Application - Grasp knowledge of theory and legal statutes pertaining to workplace discrimination and diversity. General Employment Application - Implement fair selection practices and equal employee treatment while leveraging the benefits of workplace diversity.

- 3. Ethical Reasoning: M.B.A. Specific Application - Recognize and solve ethical dilemmas from assigned cases and grasp theory of ethics in the workplace. General Employment Application - Make ethical decisions and create or support an ethical organizational climate.
- 4. Teamwork: M.B.A. Specific Application - Work with teams on projects and/or grasp concepts related to group dynamics. General Employment Application - Ability to work with teams in a workplace setting and effectively manage workgroups. Vital components of successful teamwork include learning and applying methods for group creation, role formation, successful team communication, team management, and the ability to produce results.

Admissions

All students must meet the University requirements as outlined in the [Admission to the TWU Graduate School](#) section of the catalog.

The academic program may have additional admission criteria that must also be completed as outlined on the program's website.

Degree Requirements

Total Semester Credit Hours Required

36-45 Semester credit hours (SCH).

- 1. Students should complete [ACCT 5433](#), prior to enrolling in [FIN 5243](#).
- 2. Students must have successfully completed [ACCT 5433](#) , [FIN 5243](#) , [MGT 5263](#) , [MGT 5663](#), and [MKT 5133](#) before attempting [MGT 5893](#) . (In earlier catalogs these courses used the BUS prefix).
- 3. [MGT 5893](#) is the Capstone course in the M.B.A. program and focuses on executive-level decision-making that guides the organization in its interactions with the internal and external environments. It involves synthesis of the various functional silos of the business discipline and comprehensive business case analysis for proposed or actual companies.
