

Log in to ReadySet

Returning users

Log in to ReadySet using your UTSW username and password:

<https://utsw.readysetsecure.com/rs/rest/samlSSO/requestSSO>

<OR>

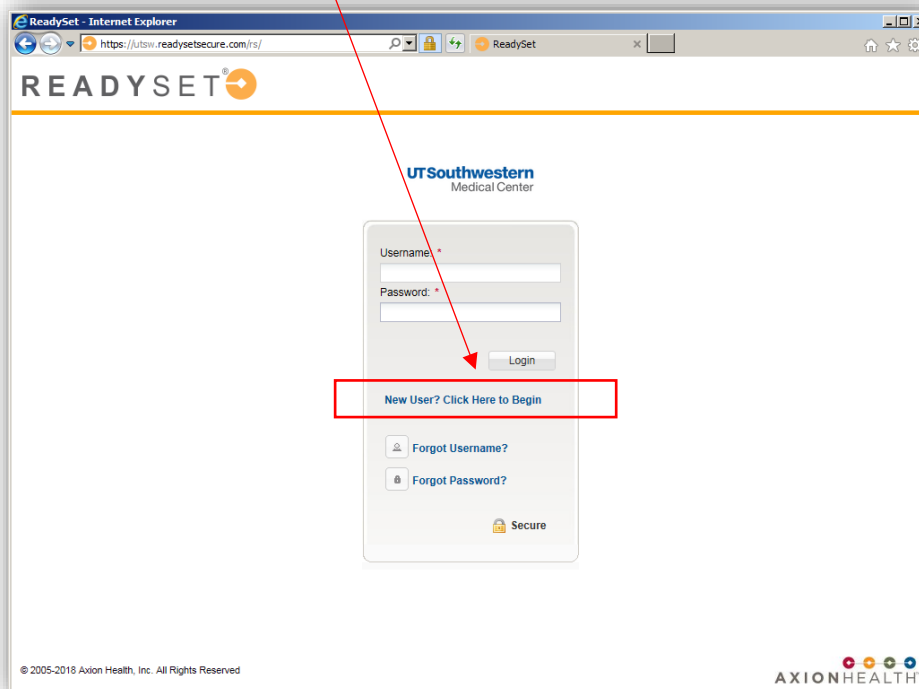

Log in to ReadySet with your ReadySet username and password:

<https://utsw.readysetsecure.com/>

New users

To create a new ReadySet account, first navigate to the ReadySet site at <https://utsw.readysetsecure.com/>.

On the log in page, click here:

Then follow the simple, step-by-step online process. You will be required to enter specific information regarding your employment, as well as demographic information. The access code is: **1860**.

For detailed instructions and screen shots, see the ReadySet [Tip Sheet](#).

Remember to keep your ReadySet username and password stored in a safe location.
